

FRANCESCO DINI

FULL-STACK DEVELOPER, LONDON

www.francescodini.dev/ | linkedin.com/in/francesco-dini-57aaa42b9

SUMMARY

Full-stack developer based in London with experience in React, Node.js, REST APIs and modern development workflows. I build clean, responsive applications and can adapt to different software designs, cloud platforms and CI/CD pipelines. I have contributed to real-world projects, including accessible web applications for charity organisations, and have full rights to work in the UK.
